“... characteristic energy, intelligence and artistry ... a fresh spirit ...”

Judith Weir, CBE, Master of The Queens Music

“superb ... breathlessly beautiful ... Artaria just lets it soar ... a true sound picture.”

Craig Zeichner, Carnegie Hall

“What a breath of fresh air! ... the recording is incredible.”

Native DSD, Reviewer, Album of the Week

“impressive ... beautiful and atmospheric ... Producer Kevin Roper has beautifully captured that warmth and lucidity.”

Guy Noble, Reeding Matter

“... intimately but passionately expressive ... equal passion, affection and finesse ... warm glow and ecstasy ... performances of the highest calibre ... 5 stars”

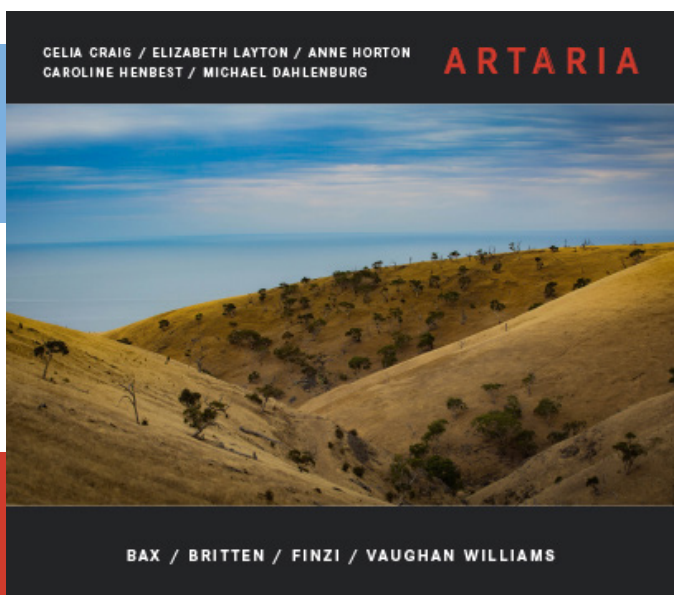

Graham Stahle, The Australian

ARTARIA'S debut album showcases some of Australia's most acclaimed and internationally renowned performers. This magical blend of oboe, cor anglais and strings transport the listener through a breath-taking and evocative repertoire.

ARTARIA's debut is a synergy of works by four English composers from 1922-1936, and virtuosic performances inspired by the light and scenery of South Australia.
